Task	Project	Summary
Client 56	FP - Advice (Implementation)	An advice fee form was submitted to Praemium, with upfront and ongoing fees set up and confirmed. Several follow-up actions were noted, including checking fee deductions, processing withdrawals and transfers between pension and accumulation accounts, and preparing an ETF transfer. Discrepancies in fee calculations were raised with Praemium and later clarified. A \$120,000 pension payment was processed and successfully deposited into the accumulation account.
