Selected Task Comments

Task	Project	Summary
Client 51	FP - Advice (Implementation)	The comments focus on confirming a superannuation rollover to an SMSF account, loading and adjusting fees, and deferring further actions until a property sale is completed. They also mention preparing and sending applications for cash management accounts (CMA) but note delays due to pending property transactions and personal circumstances. Several steps, like updating accounts to CMA and processing downsizer contributions, are on hold until the property and surgery-related matters are resolved.
